

## Charity Knitting for 2019

### We want to begin 2019

working for others and doing what we love most...knitting, knitting, knitting! We have several ways that you can help us help others throughout the coming year.

## 2019 Charity Knitting Project

**We've selected Universal's "Collar Cowl" pattern. It's a free pattern, it's warm, it's easy and we think it will be useful to those who are in need. You can get 2 of these out of 1 skein of MAJOR. The needle size is a 10 US. So we will have drop off dates each and every month throughout the year.**

Little Hats Big Hearts  
<https://www.heart.org/en/get-involved/little-hats-big-hearts>

This is a project sponsored by the American Heart Assoc. to provide red hats for babies and preemies born with heart defects and to bring awareness to heart disease in mothers and babies. We participated in this last year and donated lots to our local chapter.

Any red yarn, washable and soft of course and any pattern you like. We have lots to choose from. These will be donated probably at the end of January so they can be distributed in Feb.

Knitted Knockers  
FREE YARN-  
yes, you read that right!

Thanks to donations from Marlisa's Wig Shop and Spa, we are giving away yarn to knit knockers ( first come, first served). You can pick up one skein of yarn, we have a number of suitable ones - Ultra Pima, Modern Cotton, etc

This is for knitted knockers only and we ask that you commit to knit 3 knockers and return them to the shop in March- that's only one a month  
This is a great cause and helps many women in a very stressful time in their lives

## Reminders of KALs to come...

Brioche Ponchology started today; but you can still get in on the fun with Martina.

Beginner Cowl starts Thursday with Ingrid.

The Whippet starts Saturday with Molly.

Martina has a blanket KAL starting on Sunday the 13th. Store is open only for participants in this KAL. Doors will be locked when the KAL begins. Sorry shoppers!

Arlene has an American Doll KAL/class starting Jan 8 at 10:30. This series of KALs will be aimed at Beginner Knitters. Sometimes it's a little intimidating to commit to the expense and time a regular KAL requires, especially if we are not sure we can get the job done. This series is just right for those of you who want to learn more before you get into the regular expense and time required. These sessions should make you more comfortable with making the larger commitments. Our first garments are a sweater and a skirt. You will learn to seam up a garment, and pick up stitches. the kit needed is \$10.00 without the needle. These sessions are limited to five participants.

Check out our website for more information on all of these Knit A Longs!
