## All About Classes!

When you see a class for which you want to register, go to our website and register for that class. Do not just show up at the shop. We want to be ready for you when you come in to work!

### New Classes With Ingrid: Give us your feedback.

We want to know what you are interested in learning with us. Ingrid has four classes that she wants to offer, but she really wants to know what your interest might be, if any! We'll be adding these classes soon, so think about these four classes all to be available from Ingrid.

- **Decorative Knitted Cast On's** (New ideas to start your project with a fancy edge)
- **Entrelac Crochet** (Learn the basic technique and how to work a simple project)
- **Entrelac Crochet in the Round** (Once you've mastered Entrelac crochet, learn how to make items working in the round)
- **Magic Loop and 2 Mitts at a Time** (Learn the basis for working 2 mitts at a time and apply to mitts, socks, etc.)

### Kathleen has three Knit Companion Classes...

- Knit Companion with Android November 7 from 1 PM – 3 PM
- Knit Companion with iPad November 9 from 10 AM – 12 PM
- Knit Companion with Android November 14 from 1 PM – 3 PM

Since these are technology classes, you will need to bring your Tablet and have KC on the Tablet. If you have trouble knowing what to do about the download, come early and let someone help you get started before class. Make sure your tablet is charged and/or bring your charger to make sure you don't miss any instruction because of battery problems.

## Yarn of the Month

### Lamb's Pride Bulky & Worsted

Lamb's Pride is 100% Wool and is one of our favorites for felting. We have made hats, bags, mittens, scarves, and a variety of other accessories with this yarn.

For this month this yarn is 25% off.

## Projects You Might Like

### The Risoni Bias Scarf

The Risoni Silk is a new yarn for us, and one we enjoy. the skein is 100% silk and has 158 yards. As you can see in the picture to the right, the yarn is a thick and thin yarn.

This pattern takes 2-3 skeins depending on if you want to wrap it around your neck.

## Martina's Silver Creek Cardigan

Martina knit **Silver Creek** with CoBaSi Plus. It is a worsted weight and is 55% Cotton, 16% Bamboo, 8% Silk and 21% Nylon. 177 yards to a skein. Would be a great fiber for Carolina weather. This sample has the 44" bust. The pattern can be bought on Ravelry for \$6.
