Reminders that you might need/or want...

Knit N Purl sponsors many knitting projects for various charities or community needs. Cancer certainly gets everyone's attention. So, it is with this email that we would like to remind you of one of the projects that we support.

More Knitted Knockers

Ingrid has had one of her two FREE Sunday Classes for making Knitted Knockers for women who want and need them. We had several knitters begin and finish knockers last Sunday. Ingrid's next Sunday session will take place October 15 at 1 PM. You will get 25% off of a skein of yarn to knit "knockers" and when you bring back the three knitted knockers, your next skein of yarn for "Knockers is free! If you attended the first session, you are more than welcome to attend the next one. If you are a newcomer, remember that you should know Magic Loop to participate in this activity.

Our Knitted Knockers go to Marisa's Wig Studio and Day Spa. She gives a free wig to all women who need them because of Cancer treatment. She controls the Wigs for Cancer Inc. and is a nonprofit organization. And of course, she distributes the knockers as needed.

In December, Wigs for Cancer will be having a fund raiser. Use the link below to find out more of the details for this worthy cause.
